

September 18, 2015

Kevin Smith has been a student of mine at Sanford Brown College, I have been teaching and producing web content in the industry for more than 10 years, Kevin has shown initiative and drive while attending school here at Sanford Brown. His use of best practices involving HTML, Css and other web technologies have grown considerably. I recommend Kevin for any organization due to his drive and willingness to learn, engage and get the job completed with a high degree of quality.

Jason Zeringue

A handwritten signature in black ink, reading "Jason Zeringue". The signature is written in a cursive style with a long, sweeping underline that extends under the first name.

Web Developer Instructor, Sanford Brown College
